

## Preparations for Kristin Pierce's Virtual School Visit

### Preparations for the Day of the Virtual Author Visit:

- Download our [BOOK ORDER FORM](#) below and distribute to your students **in advance** to take home and **return to school 3 days prior to the virtual author visit**. This can give your students an opportunity to purchase a copy and have it signed just for them. For schools that are far from Kristin, we can offer alternative purchasing options, but books will not be able to be personalized and signed.
- Provide Kristin with a link via Google Meet or Microsoft Teams in advance. Please ensure your permission settings allow for Kristin to share her screen. If you'd like to schedule a trial login, let us know beforehand.
- Share the meeting link with the teachers who will be joining the presentation.
- Ensure video and microphone communication is available for all classrooms that Kristin will be presenting to so that she can interact with them.
- Share our wonderful learning resource with your teaching staff to utilize with your students after the author visit at [www.InnerCompassBooks.com/learning-resource](http://www.InnerCompassBooks.com/learning-resource). Our resource includes FREE teacher worksheets, printable quizzes, and more.
- Please confirm book order numbers to Kristin ahead of time.
- Recording of the presentation is prohibited as it is Inner Compass Books' copyrighted material.

### What Kristin will need:

When the students are all ready, a brief introduction can be done and Kristin will begin.

The typical order of Kristin's visit is as follows:

- Intro & About the Author
- Book Reading & Interactive Q&A
- Interactive Keynote Presentation to keep kids involved and interested.
- Final Questions
- Thank you & Closing
- Explanation of Printable Activity (if necessary)

If you'd like to take any photos of Kristin presenting to your students to share with us, please ensure the photos are taken from behind the students and that no faces are visible or identifiable.
